as received attention from no less than the President himself, and on most reports is getting worse. Read more The best jobs to meet Matt Aug 06, 2015 There's nothing wrong with being alone on Valentine's Day. In fact, we fully support anyone who chooses to enjoy their loneliness with a bottle of wine, a big pepperoni pizza and the est movie Netflix has on offer. If you're tired of the life of a life, however, and of all the same old routines - online dating, the bar scene - maybe it's time to try a new cork. What if everything you had to do to meet your soulmate to be in a new job? Read more The top 5 shows that your work-life balance is outside of Whack September
0, 2016 Oh, an elusive work-life balance. If you have it, congratulations. If not, you have my sympathies. We know why you feel too committed to your work. We all want to succeed at work and stay in this precarious job market. But if you see yourself in any of the signs below, maybe it's time to adjust your priorities. Read more Top ten
nost honest professions June 19, 2018 I recently reviewed Gallup's 2013 survey on Honesty/Ethics in The Professions. Participants in the Gallup survey, where they give a simple hint: tell me how you would rate the fair and ethical standards of people in these different areas – very high, high, medium, low or very low. The resulting ssessment is based on the percentage of respondents according to which the profession has high and high ethical standards. Read more What to expect on your first working day 09, 2018 Congratulations, you did it! Not only did he complete four demanding years of college, but he applied for dozens of jobs, went through a round of
sterviews and even negotiated a salary for his first job. And now you're ready for your first day at work. After taking an hour, finding out what to wear, be sure to allow yourself to enjoy the experience. The days will only get busier and more stressful to progress, so be sure to take everything. And to help you prepare further, here's a good
lea of how you'll settle down on your first day. Read more Top tips for winter alumni Nov 07, 2017 December is a time for parties, visiting family and friends of students complete their diplomas. While these graduates are probably excited about completing their programs, one may undoubtedly feel lost without knowing where to start looking for a job or how to take the next steps. For winter graduates, although there are some tips for winter alumni. Read more Top 3 Tips for starting work Remote Dec 21, 2017 I have a fantasy in which my
olden years are spent on a sunny beach, and another in which I explore ancient Roman ruins. For some, my fantasies sound like a blissful retirement drives me crazy. I'm from a lot of old people. Not only are they old, but they're healthy and active. So the
rospect of 20 or 30 years of total idleness is not something I want. Read more Top Ten Boomtowns of 2014 December 16, 2014 Historically, Boomtowns of 2014 December 16, 2014 Historically, Boomtowns of 2014 December 16, 2014 Historically, Boomtowns have appeared where there has been a discovery of mineral wealth - think Texas Oil Boom or California Gold Rush. In an era when travel through the country was difficult and rosperity was less ordinary, only the sudden riches offered by gold, silver, copper and oil were enough to lure large numbers of migrants to a new place. Rapid demographic and economic growth was accompanied by high levels of development and it was not
ncommon for cities to double their population and output in a year. Read more How to fit into a second job February 14, 2020 Long on motivation and short time? You may be wondering how to find the hours of the day for side work to supplement your income. We can help. Read more SmartAsset talks with Chris Ducker 10, 2017 this Ducker gives good advice. And he does it with a British accent. A serial entrepreneur, virtual staff expert, blogger, podcaster and author, Chris took a while to tell us about building a personal brand. In this edition of SmartAsset Talks, he explains what worked for him and why it is now a long time to start Read more You can do this:
Strange Jobs November 09, 2017 As a child growing up in Brooklyn, I've always identified people from People like Joe, the cab driver, and Tony the fireman. This made the distinction between people of the same name easier, and I was convinced that these jobs were a reflection of their true personalities. Growing up, I realized that a
erson's work doesn't define them. Take these 7 weirdvery weirdvery weirdwork you probably didn't think: Read more The best (and worst) Cities for Teachers Dec 02, 2014 according to the National Center for Educational Statistics, as of fall 2012 there were approximately 3.7 million full-time primary, middle-class students in the United tates. Put this number into context: there are more teachers in America than police officers, doctors, therapists, lawyers, social workers can have on their students' lives, it is no exaggeration to say that teachers collectively take up the most important job in the country.
lead more Do you have what it takes to work from home? Dec 21, 2017 In the past year, I have gone from working full-time and at home part-time to working from home seems to be much more distracted than any other cube farm. They're everywhere. Vorking from home, I realized it requires special discipline. At first, it was hard not to let the writer's block become a reason to cut the grass. But after a while and self-control, I began to treat the home properly when it was your main place of work: like nothing more than a large office. Read more Why losing your job can be a good thing
ec 21, 2017 Yes, I realize that this statement may not be what you want to hear if you are depressed after losing your job. Sometimes it is difficult to see the silver lining immediately after dismissal, and you just have to go through the stages of acceptance, similar to the stages of grief. If you find that there are a small number of you
rilling to go on and make some changes, then it's a long time to let you know that losing your job may be the best thing that ever happens to you. Here's how you should look: Read more 5 Questions to ask before turning your Hobby into a business February 14, 2020 The holy grail for entrepreneurs is the success of doing something new love, and financial success means earning a living from your business. For many, a small business have the same
robability of financial success. Determining whether your hobby will do good business starts by asking the right questions.
